- 1 I loved taking your class and loved having you as a prof!! Thank you!
- 2 Awesome teacher
- 3 in all of my years of going to english classes, Maddies has to be the first one where i am sad the semester is over. Maddie has to be one of the most supportive, encouraging teachers there ever was. seriously, give this woman a raise. As a student who always knew writing and literature was her better academic skills but was to afraid to pursue a career field in, Maddie inspired me to actually change my major to English
- 4 Maddie is a great instructor!!! This was my favorite class to go to, and I felt like she really cared about me succeeding.
- 5 I enjoyed this course a lot! When I first read the course description I was prepared for a total bore fest of a course. However, the instructor does a phenomenal of making the course material interesting and class time enjoyable.
- 6 Maddison's a great teacher , she's always willing to help students. The workload is quite heavy but she will help you every step of the way.
- 7 Enjoyable class and I really though all the books were selected very well.
- 8 This course enabled me to comprehend reading on another level that I never thought possible. The material (the novels) we read for class were quite enjoyable and actually got me into reading once again, which I haven't actually enjoyed/done since middle school. The professionalism you possess is stellar! It is extremely helpful to have a professor such as you that truly cares for their students and goes out of their way to assist and make class enjoyable.
- 9 Maddison McGann has great knowledge of the material she teaches and she shows a lot of enthusiasm in class. I have never found interest in literature or English classes, but with Maddison as a teacher, I found the material to be more interesting than I expected. I

would highly recommend Maddison to anyone who is thinking about taking this class.

10 Books went with course objective

11 One of the best teachers I have had at the University. Maddie was so compassionate about teaching us, and enthusiastic every single day we had class. I really appreciated how helpful she was in office hours as well.
